Nov 23, 2008 (Oct 7, 2008 to Jan 16, 2009) Ura Conj Ura

This astrological influence can occur only during the first 2 years of life or when you are 81 - 87 years old. If you are in your 80's, then you have reached a point where you are starting fresh again. This is a time for rejuvenation and awakening new creativity and interests.

Nov 30, 2008 (Nov 30, 2008 to Dec 1, 2008) Mars Conj Sun

You experience a burst of energy and are more vigorous, bold, assertive, and impatient at this time. You feel ambitious and capable of doing a lot and meeting challenges successfully. However, if your will is blocked, you become quite angry now. You are less willing to accommodate others and meet people half way. Your ego-drive and competitiveness are very strong.

Dec 1, 2008 (Oct 7, 2008 to Jan 16, 2009) Ura Conj Ura

This astrological influence (Ura Conj Ura) also occurred on Nov 23, 2008 (peak date). Please refer to this date.

Dec 1, 2008 (Aug 20, 2008 to Jan 9, 2009) Nep Conj Nep

Your imagination is vivid during this time period and you enjoy fairy tales, mythology, spiritual, religious and metaphysical topics. This astrological influence is not very powerful and is overshadowed by the other astrological influences in effect at this time.

Dec 1, 2008 (Oct 30, 2008 to Dec 29, 2008) Plu Conj Plu

During this time period, deeply rooted and hidden energies are activated and affect you more strongly. You remember incidents and events that you have not recalled in a long time. You are driven instinctively to do certain things, even though you may not consciously understand why you are driven to do them.

Dec 1, 2008 (Nov 16, 2008 to Feb 16, 2009) Sat Conj Sat

You take life very seriously now. You question major commitments and decisions you have made in the past, such as career choices, place of residence, marriage and other major relationships. This is a time of self-analysis and questioning about the direction you have taken in your life.

Dec 1, 2008 (Nov 26, 2008 to Dec 6, 2008) Jup Conj Jup

This time period marks the beginning of a new cycle, when you formulate plans and ideas that will extend over the next 12 years. Your ambitions and ideals slowly and gradually shift towards a new focus. This is a period of rebirth and renewed optimism.

Dec 1, 2008 (Nov 30, 2008 to Dec 3, 2008) Mars Conj Mars

Your desire to make a fresh start, to take the initiative and strike out on your own, is a powerful drive right now. Your physical energy, will, and courage are intensified. Unless you channel your abundant energy into decisive action or vigorous work, accidents, anger, and irritability are likely at this time.

Dec 4, 2008 (Nov 29, 2008 to Dec 9, 2008) Jup Conj Ven

If there is something that you have always wanted, but felt that you could not afford it, then your wait is over. You will buy it now, whether you can afford it or not!

Dec 5, 2008 (Dec 3, 2008 to Dec 6, 2008) Mars Conj Merc

This is not the best time to schedule any activity that calls for tact, diplomacy, or caution, as you are inclined to be extremely straightforward, direct, and to the point in all of your interactions. You say exactly what you think, and in fact are inclined to be verbally aggressive, pushy, or perhaps sarcastic. Your mind is very sharp now, so this is a good time to "attack" intellectual or mental work.

Dec 12, 2008 (Dec 12, 2008 to Dec 13, 2008) Mars Sqr Ura

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, which doesn't involve trying to cooperate or conform to others' wishes and needs.

Dec 13, 2008 (Dec 11, 2008 to Dec 14, 2008) Mars Sqr Asc

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

Dec 14, 2008 (Dec 9, 2008 to Dec 19, 2008) Jup Conj Moon

During this time period you are more tolerant, forgiving, and generous than usual. You feel good about yourself and are usually in a cheerful mood. Domestic life and family matters are particularly important to you now, and you are likely to spend a great deal of time with family and close friends.

Dec 15, 2008 (Dec 13, 2008 to Dec 16, 2008) Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Dec 16, 2008 (Dec 16, 2008 to Dec 17, 2008) Mars Sxtil Nep

This is not a period when you feel like pushing your own interests, or in which you are especially energetic. Other people's concerns and needs receive more attention from you now,

and you are more motivated to do something which serves others, perhaps a group you are affiliated with. Cooperating with others for some idealistic purpose is very satisfying for you at this time.

Dec 18, 2008 (Dec 17, 2008 to Dec 20, 2008) Mars Conj MC

Your desire for leadership, personal recognition for your efforts, and absolute control over your own affairs is very strong now. You are very competitive in business affairs and business and you aggressively present your concerns and interests to colleagues and superiors. Anger over an inability to be first, or to be on top, is quite possible, but you won't take it lying down - you are ready to fight if necessary in order to forge ahead!

Dec 27, 2008 (Dec 26, 2008 to Dec 28, 2008) Mars Conj Plu

At this time you can become obsessed about getting rid of something, and you could undertake major revisions and changes -a complete overhaul in some area of your life. You are forceful and can drive yourself too hard and overtax your physical and emotional reserves. Though you may have the best of intentions, you tend to act very compulsively, working furiously toward some goal which you may not even be completely aware of. Your secret need for power, or control, emerges now, and power struggles are very possible.

Jan 1, 2009 (Dec 10, 2008 to Jan 22, 2009) sat trine jup

This is a positive and fortunate time for business pursuits and career goals. Your goals and ambitions are molded into concrete reality at this time, and you have a vehicle for reaching your destination.

Jan 5, 2009 (Sep 20, 2008 to Jan 30, 2009) Ura Conj Asc

During this time period, you cast off some of your old roles and adopt new ones. You take a fresh approach to life and your personality undergoes major changes.

Jan 31, 2009 (Nov 16, 2008 to Feb 16, 2009) Sat Conj Sat

This astrological influence (Sat Conj Sat) also occurred on Dec 1, 2008 (peak date). Please refer to this date.
